

Come and **experience life** in our care homes

/// *And the Lord will **guide you** continually and **satisfy** your desire in scorched places and make your bones strong; and you shall be like a **watered garden**, like a **spring of water**, whose waters do not fail.* ///

Isaiah 58 v 11 ESV

Summer is coming... we hope it is!

Our care homes have some of the most beautiful gardens around and we'd love to share these with you!

Our residents make the most of the lovely days and enjoy leisurely walks with family or friends, or even a meal sitting outside in the sun. You'll often find people outside sitting quietly taking in God's creation, maybe the song of a bird, the rustle of the trees as squirrels run off with a stolen treat. Maybe it's the sweet smell of roses and flowers, or the tangible feel of a raised garden bed full of luscious herbs. Greenhouses filled with the delicious taste of fresh tomatoes, or other vegetables.

Each home has a garden unique to their surroundings but one thing they all have in common is a space for tranquillity. This is what our residents have to say about Christadelphian Care Home gardens.

"I like to go for a walk and the staff support me with this. I enjoy walking in the magnificent gardens with a lovely fish pool where I like to watch the fish swimming round. I like watching the top fish moving and all the little fish swimming about in the pool!"

"The gardens are great! Lots of lovely flowers, trees and shrubs. It is a delight to sit out in the garden WHEN the sun shines. There is also a fishpond with both large and small fish (also frogs at the right time of the year)."

"When we arrived, we were able to bring our own special rose bushes with us, they have been planted in front of our window, one was given for our anniversary, and the other was my 80th Birthday. We love going for walks around the garden and taking photos, there's always something new sprouting up."

"There's a wooden building in the garden, called The Silver Birch, it's the perfect place to sit and relax with a coffee, and enjoy the gardens."

"When you get good weather, there is plenty to look at even if you don't go outside - looking out at the beautiful gardens is like looking at a picture. Having Ladywell Park at the back is lovely as it is so safe for residents and gives us the chance to see the children playing."

"I enjoy eating 'al fresco' in the garden outside with my friends and family."

"The gardens are wonderful, there's always somewhere to sit and have a look at the plants and gardens. There's a path that takes you round the building and is a nice circular walk."

"I love our garden at Kingsleigh, it's such a lovely place to spend time enjoying being together in beautiful surroundings."

"I appreciate the lovely gardens at Kingsleigh, and I spend as much time in them as I can."

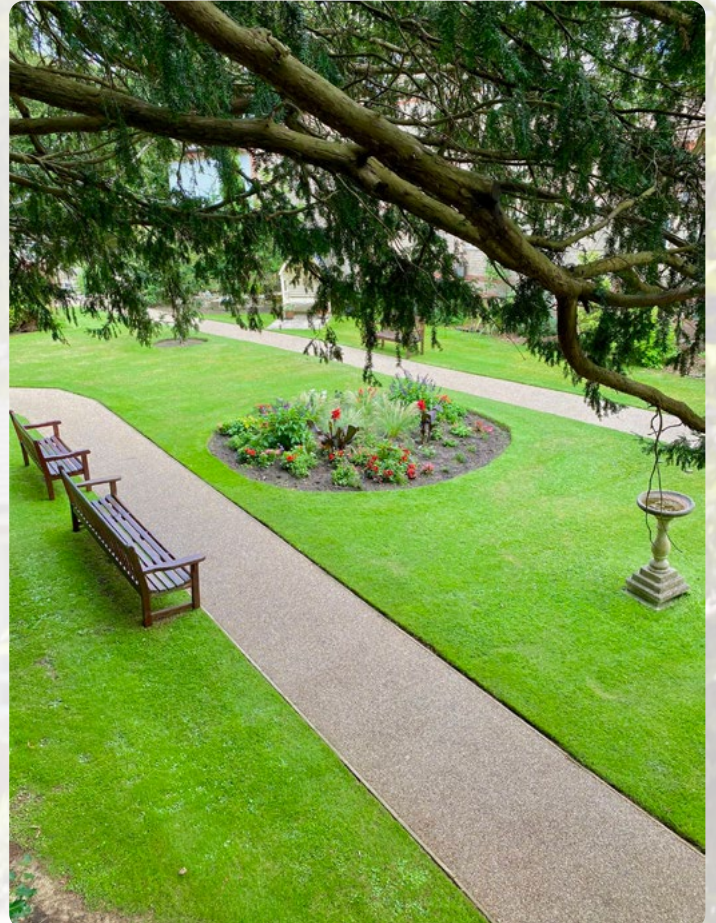

"I like the fresh air and sunshine. I have fond memories of being in the garden with Annamaria (our old housekeeper) and listening to Ray Coniff. I prefer to sit in the garden, and I like taking in the scenery and talking to staff."

"I like sitting in the sun especially when it is warm. I like to sit and think, and I like how the garden looks in the sun."

"When you arrive at Eden House you are greeted by an ocean of life and colour. The gardens are simply beautiful, full of variety, scents, colour and textures.

The accompany murmur of the birds and wildlife transport you to a place of peaceful tranquillity, despite the challenges of life and age – the home is aptly named."

"What I like about the garden here is that it's always colourful and I enjoy gardening here and it's nice not to be responsible for it! I can come out and do any bit when I want and it's a pleasure to see it nice and smart! I like being outside, I'm an outdoor girl! I'd rather be gardening than doing some housework, and I have that opportunity!"

Why not join us! There are various activities to enjoy, such as:

- Hymn Singing
- Flower Arranging
- Arts and Crafts
- Knit and Natter
- Chat for Chaps
- Bible Readings
- Breaking of Bread

Have you thought about volunteering?

Our volunteers have such an important role in our homes, they bring life and joy through shared activities, a listening ear or reading to a resident.

Not sure if a care home or shelter accommodation is for you?

Why not come join us in one of our available rooms for respite or a mini holiday. You can take part in the life of our homes, share fellowship with brothers and sisters and enjoy the beautiful gardens.

If you are interested or would like more information, then please don't hesitate to get in touch. The email address and phone number for each home are below and the managers at each site are looking forward to hearing from you!
